

WIREFRAME

1. Home Page

2. Registration Page

The image shows a registration form within a light gray rectangular container. At the top, the title "Registration Page" is centered in a dark gray font. Below the title, there are four input fields, each with a blue border and a light gray background. The labels "First Name", "Last Name", "Email Address", and "Password" are centered within their respective fields. At the bottom of the form, there is a solid blue rectangular button with the word "Register" centered in white text.

3. Login Page

A wireframe of a login page. It features a central container with a light gray background. At the top of the container is the title "Login Page". Below the title are three vertically stacked input fields. The first field is labeled "Email Address", the second is labeled "Password", and the third is a solid blue button labeled "Login". The entire container is enclosed in a thin black border.
